Dear Parents/Carers

Partial Closures during Examination Period

As indicated in the Summer 2015 Newsletter, the school is closed to students in Yrs 7, 8, 9, and 10 until 11a.m. on the following dates:

- 2nd June
- 4th June
- 5th June

These closure have been put in place in order to support the Yr11s taking their English and Maths examinations. There are a significant proportion of the students taking exams who are entitled to additional support such as reader/scribes. As you can imagine, being such a small academy, every member of staff is used to support the process, which impacts on the availability of staff to teach/supervise the remainder of the students.

We did put in place plans with taxis/school staff to collect students today, however as with any alteration to normal routines this did not go as planned and some students were not collected until much later. Please may we take this opportunity to apologise for any inconvenience this may have caused and thank you for patience.

In light of the issues that occurred today, we have asked taxis to collect all students in Yrs 7, 8, 9, and 10, and bring them in for the 11a.m. start. Students in Yr 11 who are taking exams on the above dates will be collected by school staff. There is no change to the end of the school day times and arrangements.

Information will be on the school website and please do not hesitate to contact the school if you have any queries. As stated, the partial closures are only on the above dates.

Thank you for your support and co-operation during the examination period.

Yours sincerely,

Stuart Tyreman
Headteacher
