Dear Parents/carers

As you are aware we have had to educate your son either at home or in the community today due to the high number of staff off sick with a 'flu' type virus.

As we are a small community, germs spread very quickly here and to reduce the risk of infection I must remind you that if your son is unwell, please do not send him to school. A number of students have been coming into school these past few weeks very unwell and have had to be sent/taken home, many of them with strong coughs and temperatures. If symptoms persist, please arrange to see your local GP Doctor. If he has been sick he needs to be kept off for 48 hours.

Attendance at school is important, but if your son is genuinely ill you will not be penalised for this and he will be marked as an authorised absence.

Thank you for your co-operation in this matter and may I wish you a healthy half-term break.

Yours sincerely

Stuart Tyreman
Headteacher
