Montefiore Drive, Sarisbury Green, Southampton, SO31 7NL.

Dear Parent/Carer,

Monday 20<sup>th</sup> March 2017

This year, Parents Evening will be held on **Wednesday 10<sup>th</sup> May 5-7.30pm** here at LWS Academy. It is an important opportunity to speak to tutors and subject teachers regarding your sons' progress at school.

On the same evening, we are also holding our Pathways Event. We have invited numerous colleges and educational providers to come to LWS between 5-7.30pm. This is a great chance to get further information about the provision on offer for Year 10 and 11 students across the local area. They will also be able to answer any questions you may have and give advice on post 16 options. In addition, apprenticeship providers will be in attendance to offer advice and answer any questions you may have. If your son is in Key Stage 3, this evening will be a great chance for you to see what is available for students as they move through their time with us here at LWS, including college and other activities such as bush craft, military prep or fishing.

Confirmed to attend so far:

- Military Mentors
- Youth Options
- Riverside Learning
- For Life Experience
- Eastleigh College
- Southampton City College
- Southdowns College
- St Vincents College
- Get in Go Far (national apprenticeship advice)

Please contact the school if you have any questions regarding this fantastic event. I hope to see you on Wednesday 10<sup>th</sup> May.

Yours sincerely
