Dear Parents/ Carers,

As a school we are introducing 'cultural days' into our curriculum offer. These days are designed to offer students the opportunity to explore the community around them as well as participating in multi-cultural experiences. These cultural days will occur once each half term, the first being Wednesday 10th May followed by Wednesday 5th July.

These trips will be during the school day with students using all forms of transport to achieve their goals. They will be in small groups enabling students to make friendships with different students that they may not always associate with.

The cost of these trips will be paid for by the school however staff may contact you directly regarding contributions depending on the trip. Any student who is entitled to free school meals will have a lunch prepared for them however if you would like our chef to prepare a paid for packed lunch then please do let us know in advance of the cultural day. Staff will be in touch over the coming days to discuss specific logistics and your son's first cultural day.

This is an exciting development within the LWS curriculum and if you have any questions/ concerns then please do not hesitate to contact the school.

Yours sincerely,

Christopher Berry

Deputy Head Teacher
