22 November 2018

Dear Parents/carers,

I am writing to inform you of an exciting opportunity regarding music tuition at LWS Academy. Mr Campillo is offering 1:1/small group music tuition to students, and we would like your opinion on the instrument you would like your son to potentially learn. Mr Campillo has supplied the following overview for parents to consider:

Music is a powerful and universal form of communication which can make a significant contribution to young people. My primary goal is to provide a distinctive opportunity for pupils to express themselves, inspire them to develop a love of music, increase their self-confidence, creativity, taken and a sense of achievement.

During the 'Music-Session' pupils will be able to build different music knowledge:

- Learn how to play an instrument. Pupils are free to choose a range of instruments: electric guitar, bass guitar, acoustic guitar, ukulele, classical guitar, flamenco guitar, drums set and percussion.
- Learn Music History, and Music Theory
- Explore different styles i.e pop, rock, jazz, blues, flamenco, classic.
- Offer instrumental experiences including ensemble work, or a solo performance which ensure pathways of progression are available to pupils.
- Explore 'Music Technique': structure, melody, harmony, temp, dynamic and timbre
- Recognise the main music characteristics: using their listening skills.
- Develop strategies to express their feelings and thinking through improvisation and composition.

If you are interested in your son accessing music lessons at the school then please return the reply slip at the bottom of this letter.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Stuart Tyreman', written over a light blue circular stamp.

Stuart Tyreman

Head teacher
