Dear Parent/Carer,

As you know, from our previous letter before Christmas, the school reaffirmed the uniform expectations, which consists of dark/black trouser wear and either an LWS t-shirt or plain polo shirt under the uniformed jumper. The hooded jumper has been replaced by a zip through jumper with an LWS logo on the front.

It gives us pleasure to inform you that we are now in a position to give all students a new school zip jumper, free of charge. It is important that ALL students wear uniform, every day, those with LWS hoodies can continue their use. If students continue to not wear the correct uniform then the school we be taking consequential steps to ensure that this policy is adhered to. It is proven to add to a strong sense of community and will provide a clear expectation to follow other strategies with.

Our home school link worker, Mrs Morris, will be delivering these jumpers to you over the coming weeks so can you please contact the school as to what size your son will need. If the free jumper is lost then there will be an expectation to replace at a subsidised rate.

If you do have any questions around the issuing of school uniform then please do contact the school.

Yours sincerely

The LWS team
