Pre-Public Examinations for Year 9 and 10 Students

Dear Parents/ Carers,

As you know it is important to prepare students for their terminal examinations at the end of Year 11. At LWS, we have made the decision to offer Pre-Public Examinations (PPE) to both Year 9 and 10 students to help prepare for this time effectively. A PPE is a practice exam (commonly known as a mock exam) for students to get used to the examination room, examination expectations and the language used within the exam papers.

We know that some students will find this difficult however it is important that you encourage your son to engage fully during this time as it will benefit them in Year 11. Many teachers are using a 'walking talking' method for these exams so the teachers complete the exam with the students and then discuss the correct answer for each question.

The PPE dates are as follows;

- Year 10 = Monday 21st January - Friday 25th January
- Year 9 = Monday 4th February - Thursday 14th February

Class teachers are likely to be in contact with you before the dates above to discuss the process with you in more detail, specifically the date, time and method of delivery. If you do have questions or concerns about the contents of this letter then please do not hesitate to contact the school.

Yours sincerely

Christopher Berry
Deputy Head
