

Dear Parent/Carer

RE: GFM Parent and Carer Opportunities

The Gosport and Fareham Multi Academy Trust is committed to prioritising opportunities which enable our pupils to develop resilience, feel confident and be aspirational throughout their time within our schools. By working collaboratively with our parents, carers and the community, we hope to raise the life chances and improve the future of all students in Gosport. In addition to our aims for the education of all students within the GFM, we are also committed to knowing, understanding and supporting the families of all of our pupils.
